

# George's LOUNGE

There's a time in your life when you come to a crossroads. Will you accept the challenge ahead or go cry to your mother? Time to decide: Are you a boy or a man?

## THE HALL OF FAMER CHALLENGE RULES & LEGALESE

The Hall of Famer includes a triple Gorgeous George + large fry + kamikaze sauce + shake

### RULE #1

The challenger agrees to eat all food served as part of the Hall of Famer (as noted above) and keep it down. No calling dinosaurs.

### RULE #2

The challenger may NOT make any food substitutions or modifications. Don't like mushrooms? Too bad.

### RULE #3

The challenger agrees to eat all food without any help from others. Not even your carnivorous venus fly trap can help.

### RULE #4

The challenger has one hour to complete the challenge (timed by staff). That equals 60 minutes.

### RULE #5

The challenger will eat at the bar and may stand but cannot leave the bar during the timed hour. If you fall off of your stool we may laugh at you but you are not disqualified.

### IF YOU COMPLETE THE CHALLENGE PER RULES 1-5

George's Lounge will provide you with the greatest honor deserving of any Hall of Famer. Your enshrinement includes no charge for the fantastic meal you just ate, your picture hung in George's official hall of fame for the world to marvel at, and George's exclusive golden tshirt (though you may have to wait while we handcraft it to your size). You are a man among boys. You may renew your manhood by winning up to once per year, but compete as much as you want.

### IF YOU DO NOT COMPLETE THE CHALLENGE PER RULES 1-5

George's Lounge will provide you with the greatest honor deserving of any challenger failing to defeat the Hall of Famer. You will receive a check for payment of your meal and the opportunity to compete again in the future. Don't give up. Third time's the charm.

## ARE YOU HALL OF FAME MATERIAL?

I, the challenger, understand and agree to all above listed rules and I am not a sissy. I waive all liability to George's Lounge for any accidents that may occur during or after the challenge, recognizing the dangers it may entail to my health or well being. I also give George's Lounge the right to use my picture and name for promotion. Get cooking!
